

AMENDED IN ASSEMBLY APRIL 20, 2005

CALIFORNIA LEGISLATURE—2005—06 REGULAR SESSION

ASSEMBLY BILL

No. 1035

Introduced by Assembly Member Spitzer

February 22, 2005

An act to amend Sections 6254.21 of the Government Code, relating to public records.

LEGISLATIVE COUNSEL'S DIGEST

AB 1035, as amended, Spitzer. Public officials: home information.

Existing law prohibits a state or local agency from posting on the Internet the home address or telephone number of any elected or appointed official, as defined. It also prohibits, and makes punishable as a misdemeanor or felony, as specified, any person from knowingly posting this information or that of the official's residing spouse or child on the Internet knowing that person is an elected or appointed official and intending to cause imminent great bodily harm to that individual.

This bill would also prohibit any state or local agency from hosting or providing service to an Internet web site that posts an official's home address or telephone number, or disclosing the location thereof. The bill also would prohibit any person from knowingly engaging in these actions. It would further provide that an official whose home address or telephone number is disclosed as a result of a violation of these provisions may recover actual damages, including court costs, loss of wages, attorney's fees, pain and suffering, punitive damages ~~not to exceed \$10,000~~, and any other relief that a court deems proper and appropriate. By expanding an existing crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:
